Visalia Breakfast Rotary Presents:

IMPACT a LIFE

an evening of wine, fine dining, and charitable giving

Friday, September 29th, 2023 at 5:30pm

Come join us for an evening of fine dining, a tasting of California wines, spirits, and delicious desserts. Once we have satisfied your pallet you will be ready to engage in our silent and live auctions. We have some special activities planned for the evening that you will not want to miss, chances for you to leave the evening decked in jewels, with a dream vacation, and a handful of quality wines, giving you the opportunity to have lots of fun while helping raise money to support the many needs around our community and around the world.

You might not know personally the child that sheds the tear of joy or woman that cries out in thanks for your generosity, but your presence changes lives. Don't miss this evening where you can make a difference to Impact a Life.
